Eliges la unidad

The screenshot displays a software interface for fleet management. At the top, there are navigation tabs for 'Home' and 'Alarm statistics'. The main area is divided into two panels. The left panel, titled 'Fleet', contains a search bar with the text 'tresco' and a list of vehicle units, each with a green car icon and a checkmark. A hand cursor is pointing at the 'ECO 60276' unit. The right panel, titled 'Alarms', shows a date range '2025-12-25 To 2026-01-23', a dropdown menu set to 'All alarm', and a 'Search' button. Below this, there are filters for 'Today', 'Yesterday', 'Recent 3 days', 'Recent one week', 'Last 30 days', and 'User-defined'. A hand cursor is pointing at the 'Last 30 days' filter. A 'Confirm' button and a 'Cancel' button are also visible. A red box highlights a zoomed-in view of the 'Fleet' search results, showing the search bar with '60276' and a list of units: 'ECO 60274', 'ECO 21288', 'ECO 60276' (highlighted in orange), and '00D20703BA'. A hand cursor is pointing at the 'ECO 60276' unit in this zoomed view.

The screenshot shows a software interface with a date range of 2025-12-25 To 2026-01-23. A dropdown menu is open, listing various alarm types: Illegal shutdown (highlighted in blue), Geo-fencing alarm, Temperature alarm, Distance alarm, Alarm for abnormal temperature changes, and Driver Fatigue. A hand cursor is positioned over the 'Illegal shutdown' option. To the right, a search bar labeled 'Search' is visible, with a red arrow pointing to it from the word 'Buscar' above. Below the dropdown, a section titled 'Alarms' is partially visible, and a graph area with a y-axis labeled 'Times' and values 4 and 5 is shown at the bottom left.
